

Attendance

- ECE Team Meeting via Zoom, 4/6/2020 @ 4pm
 - Andrew Victor
 - Ramrio Cabrera
 - Matt Shilling

Unknowns/Risks

- What will Dr. Nash expect us to complete? All College of Engineering labs are closed as well as the Buoy Lab we usually work at.
- One team member in Corvallis, others are back home. Will online collaboration be productive?
- How can we still show something interesting for the Online Expo?
- How independent will the online expo be? We could make it really cool but it could turn out very lame if it is not planned well.
